

October 27, 2014

MEMORANDUM TO: James Flanagan, Director  
Office of Information Systems

Thomas Rich, Director  
Computer Security Office

FROM: Kathy Lyons-Burke **/RA/**  
Senior IT Security Officer for Policy,  
Standards and Training

SUBJECT: INTERNET EXPLORER VERSION 11 SECURITY  
CONFIGURATION STANDARD

The Standards Working Group (SWG) is pleased to present for your signature version 1.0 of CSO-STD-1423, "Microsoft Internet Explorer 11 Configuration Standard". This standard provides the minimum requirements that must be applied to NRC computers running Internet Explorer version 11. The SWG Chair, Bill Dabbs, worked with the SWG members and the Information System Security Officer (ISSO) forum to develop a standard that properly balanced business needs, operational needs, and cybersecurity.

If found acceptable, please sign your name and date your signature in the approvals section found on the first page of the standard.

Thank you for your consideration and support.

Enclosures:  
As stated
