 Subject: RAI concerning AMP Qualifications

Discussion: On 10.21.14, additional information was requested of FAHC for a proposed AMP, Elizabeth Hipp, Ph.D. At that time, the RSO stated that she did not believe she could get the additional information quickly and therefore, we should issue the amendment without Dr. Hipp. On 10.23.14, we received the requested additional information. Based on our review, Dr. Hipp may be added to the license as an AMP.
