Dr. Lee,

This letter is to inform the Nuclear Regulatory Commission that we have permanently ceased all licensed activities at both Cincinnati NIOSH locations. Our request is to have the license terminated at the 5555 Ridge Avenue location. There is no history of unsealed sources at the 5555 Ridge Avenue location; therefore this address was not included in the final status survey. The license has been terminated at the 4676 Columbia Parkway location.

Thank you for your time and consideration, I look forward to your reply.

Sincerely,

A handwritten signature in black ink that reads "Beth M. Rolfes".
