Mark/John---

Len Gucwa and I will be in Rockville on the 12th for the afternoon meeting on FSAR Chapter 4, including RAI 600 and AZI/AO Tech Specs. In lieu of this call on the 12th, I propose we do a drop-in sometime in the morning – perhaps 1100. I understand Frank is not available.

Let me know. I will send a cancellation for next week's call.
