Re: Amendment for License No. 21-32250-01

1. Please change our RSO from Mark Guilfoyle DO to David Carter MD. Dr. Carter is currently listed on our license as an authorized user and is currently RSO at Huron Medical Center, Bad Axe, Michigan, License No. 21-17093-01.

We have enclosed the Letter of Understanding showing that Dr. Carter has been delegated as RSO by our management and that he has accepted these duties.

2. Please remove Mark Guilfoyle DO from our license as an authorized user.

3. Please remove Group 35.300 from our license. We do not intend to provide this service and have not performed therapeutic procedures at this facility for quite some time.

Thank-you for your time and assistance with this matter.

Dwight Gascho
President and CEO
Scheurer Hospital

You, David L Carter MD, have been appointed Radiation Safety Officer for the Nuclear Medicine Department of Scheurer Hospital and are responsible for ensuring the safe use of radiation as authorized under 10CFR 35.100, 35.200, and 35.300. You are responsible for managing the Radiation Protection Program, identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at any time. It is estimated that you will spend 30 minutes per week conducting radiation protection activities.

Dwight Gascho, President and CEO
