No problem. I think I have all of the previous formal correspondence between NYSDOS and the NRC during the past 2 years; you could simply tell me the dates of the letters that were attached to your most recent letter, and that would suffice.

Have a great weekend –

Sherwin

It seems we will have to further split this attachment (the email below was returned to us as undeliverable). We will send as soon as parts 2 and 3 become available.
