

CERTIFICATE OF SERVICE

I certify that on December 8, 2012, I posted the foregoing Missouri Coalition for the Environment's Hearing Request and Petition to Intervene in License Renewal Proceeding for Callaway Nuclear Power Plant (including attached standing declarations of Mark Haim and Mary Mosley) and Missouri Coalition for the Environment's Motion to Reopen the Record of License Renewal Proceeding for Callaway Unit 1 Nuclear Power Plant on the NRC's Electronic Information Exchange ("EIE"). It is my understanding that e-filing of these documents will ensure their delivery to the Office of the Secretary, the Office of General Counsel, and counsel for the applicant.
