Re: Transfer of Control Materials License 13-18570-01

Dear Madam or Sir:

We wish to inform NRC of the following "Transfer of Control" for our facility as per NUREG 1556 Vol. 9, Rev. 2 Appendix G as follows:

1. Pursuant to an Acquisition Agreement, Parkview Wabash Hospital, Inc., an Indiana nonprofit corporation ("Parkview Wabash"), will acquire substantially all of the assets of Wabash County Hospital, an Indiana county hospital ("WCH"), including all health care facilities and equipment. This transaction is conditioned upon, among other things, the execution of the Acquisition Agreement, and other customary conditions to closing. The parties intend to close this transaction as soon as practicable after the satisfaction and/or waiver of all conditions to closing. Upon completion of the transaction, Parkview Wabash will own and operate all health care facilities and equipment previously owned and operated by WCH. Therefore, upon completion of the transaction, Parkview Wabash Hospital, Inc. will be the new name of the legal entity with ownership of the equipment. The NRC may contact Marilyn Custer-Mitchell at 260-569-2217 if more information is needed.
2. There will be no changes in personnel or duties that relate to the licensed program.
3. There will be no changes in the location, facilities, equipment or procedures that relate to the licensed program.
4. The status of the surveillance program (surveys, wipe tests, quality control) are conducted in full compliance with NRC standards at this time and will be expected to remain so in the future.
5. Not Applicable
