Subject: Request to Cancel License 35-29241-01E

Dear Ms. Kotzalas,

I was given your contact information from Ms. Shirley Xu in regards to decommission of the above subject NRC license.

I hereby submit this request to terminate the subject NRC license in its entirety effective immediately. There has been no activity under this license for approximately the past 4 years. I do not have any distribution reports to provide since we have had no activity to submit.

Please let me know what the process will be in order for this license to be terminated.

My contact information as follows:

Gary Tonick, Materials Manager
