RE: License: 25-15247-01  
Docket: 030-08794  
Control: 584781

Mr. Torres:

I am providing the additional information you requested regarding our (City of Great Falls) license renewal application.

1. Regarding supplement item 3 of NRC Form 313:

Licensed material may be used or stored at the licensee's facilities located at:

- A. 1025 25<sup>th</sup> Avenue Northeast, Great Falls, Montana, and
- B. Temporary job sites anywhere in the United States where the U.S. Nuclear Regulatory Commission maintains jurisdiction for regulating the use of licensed material.

2. Per supplement Item 10, "Radiation Safety Program – Operating and Emergency Procedures," of Appendix B of NUREG – 1556, Volume 1, Revision 1.

The City of Great Falls will implement and maintain the operating, emergency and security procedures described in the errata sheet to Appendix H of NUREG – 1556, Volume 1, Revision 1, dated November 2001, and provide copies of these procedures to all gauge users and at each job site."

If there is anything else, or any clarifications needed please let me know with an email or phone call (406-771-1258). I appreciate your time and help resolving these issues.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard D. Johnson".

Richard D. Johnson  
R.S.O./Civil Engineer
