

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - Materials Licensing Branch

SUBJECT: **VOIDED AMENDMENT REQUEST**

Control Number: **584881**

Applicant: **Henry Ford Hospital**

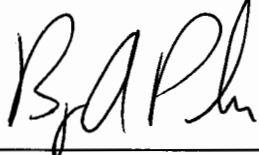

License Number: **21-04109-16**

Docket Number: **030-02043**

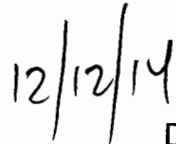

Date Voided: **December 12, 2014**

Reason for Void: **This action was initially opened along with CN 584880 in order to separate out the decommissioning of some facilities under the license. However, upon review of CN584880, it was apparent that a separate decommissioning amendment was not necessary since it was a simple release of areas that used small sealed sources (with no evidence of leakage) and less than 120 day half-life material use. Based on that, the MLB Chief, Patty Pelke, agreed that the action should be voided.**

Please void CN 584881.
