Memo To: Radiation Safety Officer - Jodi Daves  
From: Chief Executive Officer - Michael Everett  
Subject: Delegation of Authority

You, Jodi Daves, have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition you are free to raise issues with the Nuclear Regulatory Commission at any time. It is estimated that you will spend 1 hours per week conducting radiation protection activities.
