

Group A

FOIA/PA NO: 2015-0083

RECORDS ALREADY PUBLICLY AVAILABLE

Reactor Enforcement Actions and Licensee Responses Available to the Public

Virtually all categories of Reactor Enforcement Actions (NOVs, CPs, Orders, CALs) since 1996 are available in ADAMS via our Public Website. Severity Level IV EAs are not in this collection because they non-escalated. Security-related and Proprietary actions are not reflected due to their sensitive subject material.
