Subject: RAI, Amendment request dated November 19, 2014

Discussion: I discussed with Mr. Ruch that the amendment request was not clear on a couple of points. I asked if he needed the authorized users specifically listed on the license – he said no. I asked why he submitted leak tests and he did not know. I asked if he wanted to remove the other devices besides Troxler 3411 and 3430. He said that he would like to remove the other devices. I asked if they ever had a positive leak test on any gauges on the license. He said they had not.

Action Required: Amend license as requested.
