Re; Renewal of reciprocity for nuclear medicine services in Indiana

Dear Mr. Warren:

Neo-Pet, LLC, an Ohio company with an Ohio nuclear license, has been servicing hospitals in Indiana under a reciprocity agreement via NRC Form 241. We will no longer be servicing hospitals in Indiana at this time and therefore will no longer need to renew our Form 241 for 2015.

Thank you for your past help and considerations.

Sincerely,

Floro Miraldi, Sc.D., MD
