Division of Nuclear Materials Safety
Attention: Licensing
2100 Reanaisance Blvd, Suite 100
King of Prussia, Pennsylvania 10406-1415

Dear Sir or Madam:

Request that Nuclear Regulatory Commission License Number 39-14873-01 be amended as follows:

- a. Remove Dr. Barney Willens as an Authorized User. He is no longer employed at this facility.
- b. Change the use of Room 1-17 from the Nuclear Cardiology Laboratory to an Imaging Room (Imaging Room #4, Gamma Camera to be installed).
- c. Add Room 1-40 as the Nuclear Cardiology Laboratory.

The Moncrief Army Community Hospital Radiation Safety Committee approved changing Room 1-17 to an Imaging Room on 23 January 2014 and it approved adding RM 1-40 as the Nuclear Cardiology Laboratory on 12 December 2014 by electronic vote.

Enclosed is a copy of the revised Nuclear Medicine/Radiology Clinic floor plan.

For further information, please contact CPT Thomas Costeira at (803) 751-2207 or (803) 319-7658.

Sincerely,

Traci E. Crawford
Colonel, U.S. Army
