Shearon Harris Nuclear Power Plant, Unit 1  
Docket No. 50-400

Subject: Licensed Operator Initial Examination 05000400/2014302

Dear Mr. Guthrie:

Enclosed are the written examinations, operating tests and supporting reference materials for the Reactor and Senior Reactor Operator Initial Examination to be administered at the Harris Nuclear Plant during the weeks of November 17, and November 24, 2014. This submittal complies with the requirement identified in your letter dated September 18, 2014, to furnish these materials by September 26, 2014. The enclosed written examinations shall be withheld from public disclosure until after November 25, 2016. The remainder of the enclosed materials may be released for public disclosure after the examination is complete.

If you have any questions regarding these materials, please contact Mr. Richard (JR) Horton at (984) 229-6445.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Rua", written in a cursive style.

Docket No. 50-400/Renewed License No. NPF-63

Subject: Reactor and Senior Reactor Operator Initial Examinations 05000400/2014302

Dear Mr. McCoy:

Enclosed is the post-examination package for the Reactor and Senior Reactor Operator Initial Examinations given at the Harris Nuclear Plant November 17, 2014, through November 25, 2014.

Included from the administration of the written examination are the student cover sheets, answer sheets, master examinations, answer key, log of applicant questions and answers, and the student seating chart. Also included, pertaining to the written examination, are four post-examination comments (Question #5, #27, #51, and #73).

If you have any questions regarding this submittal, please contact me at (984) 229-6021.

Sincerely,

Simon Schwindt  
Manager Nuclear Operations Training
