SUBJECT
 Amendment request to name a new RSO

SUMMARY AND ACTION REQUIRED (IF ANY)

I contacted Mr. Sullivan to inform him that we did a preliminary review of the licensee's request to name Scott Claunch as the new RSO, replacing Willie Regits. I told Mr. Sullivan that a complete technical review will follow, but in the interim we identified that we needed the following additional information:

1. The letter requesting the amendment was signed by Scott Claunch. Mr. Claunch cannot request the amendment to name himself as the RSO. Please resubmit the request signed by a management representative from Cardinal Health.
2. The letter indicates that the basis for naming Mr. Claunch as the RSO is that he is an authorized nuclear pharmacist (ANP) on the license. However, the license does not list ANP's, rather the licensee is authorized to approve their own ANP's. Therefore, I requested that Mr. Sullivan submit evidence that Mr. Claunch has been approved as an ANP by the licensee through their internal review process.
