PART I. -- INFORMATION RELEASED

- No additional agency records subject to the request have been located.
- Requested records are available through another public distribution program. See Comments section.
- | |
|-------|
| GROUP |
|-------|

 Agency records subject to the request that are identified in the specified group are already available in public ADAMS or on microfiche in the NRC Public Document Room.
- | |
|------------|
| GROUP
C |
|------------|

 Agency records subject to the request that are contained in the specified group are being made available in public ADAMS.
- | |
|-------|
| GROUP |
|-------|

 Agency records subject to the request are enclosed.
- Records subject to the request that contain information originated by or of interest to another Federal agency have been referred to that agency (see comments section) for a disclosure determination and direct response to you.
- We are continuing to process your request.
- See Comments.

PART I.A -- FEES

AMOUNT*

\$

* See comments for details

You will be billed by NRC for the amount listed.

None. Minimum fee threshold not met.

You will receive a refund for the amount listed.

Fees waived.

PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- No agency records subject to the request have been located. For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.
- Certain information in the requested records is being withheld from disclosure pursuant to the exemptions described in and for the reasons stated in Part II.
- This determination may be appealed within 30 days by writing to the FOIA/PA Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Clearly state on the envelope and in the letter that it is a "FOIA/PA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

A copy of your incoming request is available in the NRC's Public Electronic Reading Room as ML#14314A373. Records with an ML Accession Number are publicly available in the NRC's Public Electronic Reading Room at <http://www.nrc.gov/reading-rm.html>. If you need assistance in obtaining these records, please contact the NRC's Public Document Room (PDR) at 301-415-4737, or 1-800-397-4209, or by email to PDR.Resource@nrc.gov.

This response addresses the remaining records to which you sought access, including the eight articles and publications from the National Council on Radiation Protection and Measurements (NCRP), as well as the "Statement from the 1985 Paris Meeting of the ICRP", which we located in the Health Physics Journal. As we did in interim response #1, we contacted the copyright owners and are making these records available with their permission. Group C, consisting of NCRP Handbook 52 and Publications 39, 43, 54, and 91 (all of which have been superseded), as well as the Health Physics Journal article, is available to you in public ADAMS.

PART I.C COMMENTS (Continued)

Group D consisting of NRCRP Publications 116, 160, and 174 may only be made available by the NRC for your inspection in the NRC Technical Library. Members of the public may visit the Technical Library during regular office hours between 8 AM and 4 PM Monday through Friday, excluding Federal holidays. Visitors may review print information in the collection of the Technical Library but they may not make photocopies. Visitors may take written notes of the viewed materials. Should you wish to make arrangements with the Technical Library Staff, you may contact them by telephone at (301) 415-6239 or via email at www.library.resource@nrc.gov. Alternatively, you may wish to purchase copies of these publications directly from NCRP, in either electronic or printed format, through NCRP's website, www.ncrppublications.org.
