SUBJECT: DIAMOND GROUP PRODUCTS, INC. REQUEST FOR ADDITIONAL
INFORMATION CONCERNING APPLICATION FOR A NEW LICENSE

Dear Mr. Nguyen:

This letter refers to your application dated December 5, 2014. In reviewing your application, we found that additional information is required.

10 CFR 40.52 requires the applicant to submit sufficient information regarding the product pertinent to evaluation of the potential radiation exposure. Please submit the following information:

Submit the proposed method of labeling or marking each unit and/or its container with the identification of the distributor of the product and the source material in the product. Since Diamond Group Products, Inc. is applying for a distribution license, your company name needs to be on the label as the identification of the distributor of the product.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this letter, we will assume that you do not wish to pursue your application.

In accordance with 10 CFR 2.390 of NRC's "Agency Rules of Practice and Procedure," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC's Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/reading-rm/adams.html>.
