George

Please review the attached draft agenda. It has Dr. Powers approval but we also want input from staff and AREVA. So please also share with AREVA for their comments. As soon as I get your comments I can get it posted on the web page.

The chapters are divided up on the separate days the way they are because some members had conflicts on the second day and could only be available for the first day. Your prompt response would be greatly appreciated.

Thanks,
Kathy
