Washington, D.C. 20010

RE: Decommission Report for NRC License DC-08-30897-02 / 030-37103

Dear Dr. Burris

This is to certify that we have conducted a thorough "Decommission Survey and wipe test" on September 15, 2014 at your facility at 650 Pennsylvania Ave, SE, Suite 480, Washington DC NRC Lic# DC-08-30897-02. A detailed review and survey of the area proved that there is no radioactivity or contamination. Area is cleared for occupancy.

A detailed report is attached with this.

Any questions regarding this report should be directed to the following undersigned.

Sincerely,

Dr. Alexander Kurikeshu
