### **Section 330.500 Modification and Revocation of Licenses**

- a) The terms and conditions of all licenses shall be subject to amendment, revision, or modification or the license may be suspended or revoked by reason of amendments to the Act, or by reason of rules, regulations, and orders issued by the Agency in accordance with 32 Ill. Adm. Code 200.
- b) In accordance with 32 Ill. Adm. Code 200, any license may be revoked, suspended, or modified, in whole or in part, for any material false statement in the application or any statement of fact required under provisions of the Act, or because of conditions revealed by such application or statement of fact or any report, record, or inspection or other means that would warrant the Agency to refuse to grant a license on an original application, or for violation of, or failure to observe any of the terms and conditions of the Act, or of the license, or of any rule, regulation, or order of the Agency.

### **Section 330.900 Reciprocal Recognition of Licenses**

- a) Subject to this Part, any person who holds a specific license from the U.S. Nuclear Regulatory Commission or another state is hereby granted a general license to conduct the activities authorized in such licensing document within this State, in areas not under exclusive federal jurisdiction, for a period not in excess of 180 days in any 12-month period, provided that:
  - 1) A current copy of the licensing document is on file with the Agency and activities authorized by the document are not limited to specified installations or locations.
  - 2) The out-of-state licensee notifies the Agency by telephone, facsimile, or letter prior to engaging in such activities. Notification shall indicate the following:
    - A) Contact person
    - B) Phone number of contact
    - C) Company name and address
    - D) Company contact person on-site
    - E) License number of applicant or registrant

- F) Licensing authority
  - G) Expiration date of applicant's or registrant's license
  - H) Dates of work at temporary job site
  - I) Client or facility name and address
  - K) Client or facility contact person and phone number
  - L) Proposed use and names of authorized users, their social security numbers or other unique identification that can be independently verified (e.g., driver's license number, employee ID, work permit number, etc.)
  - M) Device manufacturer, model, radionuclide, source model, and activity.
- 3) If initial notification was by telephone or telegraph, the out-of-state licensee shall submit to the Agency, within 10 days following notification, a letter containing the information specified in subsection (a)(2). Upon receipt from the out-of-state licensee of a written request containing a schedule of activities to be conducted within Illinois, the Agency shall waive the requirement for additional notifications of activities on that schedule during the 12-month period following the receipt of the initial notification from a person engaging in activities under the general license provided in this Section.
- 4) The out-of-state licensee complies with 32 Ill. Adm. Code: Chapter II and with all the terms and conditions of the licensing document, except any terms and conditions that may be inconsistent with 32 Ill. Adm. Code: Chapter II.
- 5) The out-of-state licensee supplies other information as the Agency may request to show compliance with 32 Ill. Adm. Code: Chapter II.
- 6) The out-of-state licensee shall not transfer or dispose of radioactive material possessed or used under the general license provided in this Section, except by transfer to a person:
- A) Specifically licensed by the Agency, the U.S. Nuclear Regulatory Commission or another state to receive such material; or
  - B) Exempt from the requirements for a license for such material under Section 330.40(a) of this Part.

- b) In addition to the provisions of subsection (a) of this Section, any person who holds a specific license issued by the U.S. Nuclear Regulatory Commission or another state authorizing the holder to manufacture, transfer, install or service a device described in Section 330.220(b)(1) of this Part within areas subject to the jurisdiction of the licensing body is hereby granted a general license to install, transfer, demonstrate or service the device in this State, provided that:
- 1) The device has been manufactured, labeled, installed and serviced in accordance with applicable provisions of the specific license issued to such person by the U.S. Nuclear Regulatory Commission or another state;
  - 2) The person shall assure that any labels required to be affixed to the device under regulations of the authority that licensed manufacture of the device bear a statement that "Removal of this label is prohibited".
- c) The Agency may withdraw, limit or qualify its acceptance of any specific license issued by the U.S. Nuclear Regulatory Commission or another state, or any product distributed pursuant to the license, if the Agency determines that had the person been licensed in Illinois by the Agency, the license would have been subject to action under Section 330.500 of this Part or 32 Ill. Adm. Code 310.90.

### **Section 330.950 Nationally Tracked Sources**

- a) Each licensee who manufactures a nationally tracked source after April 1, 2008 shall assign a unique serial number to each nationally tracked source. Serial numbers shall be composed only of alpha-numeric characters.
- b) Each licensee who manufactures a nationally tracked source shall complete and submit a National Source Tracking Transaction Report. The report shall include the following information:
- 1) The name, address and license number of the reporting licensee;
  - 2) The name of the individual preparing the report;
  - 3) The manufacturer, model and serial number of the source;
  - 4) The radioactive material in the source;
  - 5) The initial source strength in becquerels (curies) at the time of manufacture; and
  - 6) The manufacture date of the source.
