

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - Material Licensing Branch

SUBJECT: VOIDED APPLICATION

Control Number: 585160

Applicant: Niowave, Inc.

License Number: 21-35144-03

Docket Number: 030-38785

Date Voided: January 23, 2015

Reason for Void: A new license application dated October 22, 2014, (CN 585160) is being voided based on discussions with the Branch Chief, MLB and a telephone conversation with the applicant, Niowave, Inc., on January 22, 2015. During the telephone conversation, it was determined that the proposed use of licensed materials (production/ research and development) requested by Niowave, Inc. in their October 22, 2014 application, is comparable to the proposed use of licensed materials (production/research and development) requested in an existing Niowave, Inc. application dated August 29, 2014. Therefore, it was determined that the October 22, 2014 license application should be voided and combined with the August 29, 2014 license application under Control No. 584728.
