Subject:RAI, leak tests and contact information

Discussion: I asked Mr. Nagle to send me a copy of the last leak test of all the devices that had been stored in the County Route 80, Gilbert West Virginia facility. I had been unable to contact him and had sent him a facsimile which they had replied. His telephone number is now 304-624-2688 X126. I also asked for his email address which is dustyrv7@gmail.com.

Action Required: Contact information will be updated in WBL and Mr. Nagle will send me the leak tests requested to complete the action.
