Mr. Jones,

Thank you for a productive phone conference today with the new holding and parent company representatives regarding clarification and consensus of the information you provided in your change of control application letter dated November 10, 2014. I am providing this E-mail to you in order to provide you in writing with the requests made today for additional information and signatory statement of concurrence by the holding or parent company representative.

### Additional Information and Items Requested:

1. With regard to the criteria listed in Section 5.4, NUREG 1556, Volume 15, "Consolidated Guidance about Materials Licenses—Program-Specific Guidance about Changes of Control and About Bankruptcy Involving Byproduct, Source, or Special Nuclear Materials Licenses," dated November 2000, here to referred to as "NUREG 1556 Vol. 15", please submit a statement whether NCPS has performed, documented, and reviewed all required surveillances to date (such as all required inventories, leak tests, radiation surveys, and annual program reviews). Please list the results of any negative or exceptional findings if appropriate. If required surveillance items are not, or will not, be completed prior to the change of control, then please provide the reasons, any corrective actions that will be taken to remedy, and the date these corrective actions will be completed.
2. With regard to the criteria listed in Section 5.5, NUREG 1556, Vol. 15, please provide a statement that NCPS will continue to maintain all records after the change of control that are required by the NRC materials license and associated regulations, especially those important to safe and effective decommissioning of the license.
3. With regard to the criteria listed in Section 5.6, NUREG 1556, Vol. 15, please provide a statement for the new holding or parent company representative to read, sign, and date to indicate that they have read, understood, and support all NCPS statements made in your reply to this request for additional information and with the contents of your change of control application letter dated November 10, 2014.

Please also sign your reply letter to this request for additional information. The signed response letter may be submitted by hard copy, or as a pdf copy attached to an email, or by facsimile to 610-337-5269. Please always include the Mail Control No. 585385 with all correspondence.

Thank you for your cooperation in order that we may expedite the review of your change in control application.

Sincerely,  
Jim
