Subject: PET location of use

Discussion: In the letter dated December 8, 2014, HOCC requested the addition of a PET facility at 201 N. Mountain Road, Plainville, CT. On 1.23.15 I spoke to Eric Lyons for clarification of the project. According to E. Lyons, the PET facility at the New Britain LOU is being decommissioned and the equipment used there is being transferred to the Mountain Road LOU. This includes the camera and all hot lab related equipment (L-block, syringe shields, shielded well counter, etc.). E. Lyons will provide the following additional information for the PET facility:

1. Readable facility diagrams
2. Description of the areas above and below the use areas, and
3. Shielding design for the PET areas of use

Action Required: Wait for additional information
