Attachments: A) Mail Control Number 585459 Termination
B) U.S.N.R.C invoice LBF-15-1292

Dear Mrs. Xu,

I am currently waiting reply from the NRC for my request to terminate the subject license. Please see attachment "A". Subsequent to my request, I have now received attachment "B" invoice for payments through September 2015.

Please note that I have not had use of this license for several years and therefore do not hold any radioactive materials in any form.

Please advise as to how I should reply to the invoice until such time that final disposition has been granted for my termination request.

Respectfully,
