Dear Chairman Chevet:

I write to express my appreciation for the Nuclear Safety Authority Commission's good wishes on my appointment as Commissioner of the U.S. Nuclear Regulatory Commission (USNRC). I am also grateful for our collaboration during my time at the Nuclear Energy Agency. Our organizations have a long-standing, productive relationship, and I am very pleased to have the opportunity to continue collaborating with all of you in my new position.

It will be my pleasure to meet with Commissioner Jamet at the USNRC's annual Regulatory Information Conference next month, and I hope to have an opportunity for further discussions with each of you during my upcoming visit to France.

Again, thank you for your thoughtful sentiments, and I look forward to our cooperation.

Sincerely,
