Re: Mail Control # 585269

Per our phone conversation, please disregard my request to revise the Authorized Use to include **"Multiple radionuclides may be contained within a single solution"**.

If you have any questions, please do not hesitate to contact me at (314) 615-6830. Thank you very much and we look forward to a timely receipt of our amended license.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Western".
