Subject: Revision to the Farley Fire Protection License Conditions

Southern Nuclear Operating Company (SNC) is requesting a revision to the Farley Fire Protection License Conditions previously submitted By SNC letter NL-14-1937, dated January 16, 2014. The revision to number 3 in section (c), Transition License Conditions, is needed as completion of two implementation items are dependent upon completion of plant modifications which are to be completed by November 6, 2017. The revision is as follows:

The licensee shall implement the items as listed in Attachment S, Table S-3, "Implementation Items", of SNC letter NL-14-1273, dated August 29, 2014, within 180 days after NRC approval except for items 30 and 32 which will be completed by February 6, 2018, which is after completion of the modifications scheduled to be completed by November 6, 2017.
