FITNESS FOR DUTY REPORTS
FOR AMEREN MISSOURI CALLAWAY ENERGY CENTER FOR 2014**

The attached single positive test form is a submission update for Ameren Missouri Callaway Energy Center in accordance with 10CFR26.717. The single positive test form was previously submitted on ULNRC-06159 on 11/26/2014. Callaway FFD was notified that the single positive test for unique ID #202192164 needed a submission update, as the subversion attempt provided by Ameren was a refusal to test based on discovery of paraphernalia during the collection process and not on HHS Laboratory testing of the donor's specimen.

If there are any further questions with the submittal, please contact Anna Lee at (573) 676-4435.

Sincerely,

Anna Lee
