Subject: Re: Deposition transcript

I sent a reply to you last week off my iphone because I was in a motorcycle accident where I have a compound fracture on my left leg below my knee I now have a rod and a broken collarbone which leaves me with a plate. After reading the findings from Mr. Whites investigation and the finding that the board made on that. Which for the life of me in my 48 years of life I have never meet anyone who can state what another persons intent was rather they willingly did or did not do something because they just decided No I'm Just Not Going Too!! That is until I started dealing with the NRC and ya'll mind reading staff!! As I explained my computer which I had the ability to view and correspond with the NRC site has crashed the hard drive and I do not have the \$ to fix it I'm surviving on \$388 a week so, YES I AGREE with the Deposition but I am bed ridding I have no scanner or fax or copy machine to print and sign it if you want to mail it I will sign it because it doesn't matter how much proof I present on my behalf I will NEVER BET TREATED FAIR SO I KNOW THAT ALL THIS IS JUST A WASTE OF MY TIME BECAUSE YA'LL HAVE ALREADY VIOLATED MY 5TH AMENDMENT RIGHT & THAT SEEMS TO BE NO PROBLEM WITH ANYONE HEARING THIS CASE SO DO WHATEVER YA'LL ARE GOING TO DO BECAUSE I SEE I HAVE NO RIGHTS AND MY FACTS MEAN NOTHING!!! THANK YOU JAMES CHAISSON

Mr. Chaisson,

I hope you received the deposition transcript that should have been emailed to you last week. Please let me know if you plan to sign and submit the notarized certification page. If not, I will need you to expressly waive your right to review and sign off on the transcript so we can go ahead and post it with the Licensing Board and move forward with the proceeding. Also let me know as soon as possible if you did not receive the email with the transcript.

Regards,

Jim Maltese
