To Whom It May Concern,

This letter is to request an Amendment (4) to our NRC license 13-32738-01 registered to Bristol Myers Squibb Company (BMS). I am requesting that the address listed on the license under **Licensee** and **Conditions** be changed from:

4601 Highway 62 East
Mt. Vernon, Indiana 47620

to:

4401 Highway 62 East
Mt. Vernon, Indiana 47620

This request is due to the divestiture and sale of Bristol Myers Squibb diabetes division to AstraZeneca. The transition of the Bristol Myers Squibb site at 4601 Highway 62 E to AstraZeneca will occur on 1-Aug-2015. In preparation toward this transition, our building (where radioactivity is located) will continue to be part of Bristol Myers Squibb and, therefore, will have a new, separate address. This address change was effective 01-Feb-2015.

Please let me know if you have any concerns/questions.
Thank you.

Sincerely,

Beth Roberts, MT (ASCP) RSO
