Dear Deputy Director Henderson:

Enclosed is a copy of the current New Hampshire Radiological Health Rules [He-P 4037] that have adopted the revisions as listed in RATS ID 2012-2 by incorporation.

We believe that adoption of those revisions by incorporation satisfies the compatibility and health and safety categories established in the Office and State Materials and Environmental Programs (FSME) Procedure SA-200.

If you have any questions, please feel free to contact me at (603-271-4585) or my email (augustinus.ong@dhhs.state.nh.us).

Sincerely,

Augustinus Ong
Administrator
