Wilmington, NC 28402

SUBJECT: REQUEST FOR WITHHOLDING INFORMATION FROM PUBLIC DISCLOSURE
OF HITACHI-GE NUCLEAR ENERGY, LTD. PRESENTATION ON PEENING
MADE AT THE FEBRUARY 3, 2015, MEETING

Dear Mr. Murray:

By letter dated January 30, 2015 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML15030A363), the Hitachi-GE Nuclear Energy, Ltd. (HGNE) submitted an affidavit executed by Hiroaki Tamako Manager, Reactor Preventive Maintenance Design Section, HGNE on January 30, 2015, requesting that the information contained in the following document be withheld from public disclosure pursuant to Title 10 of the *Code of Federal Regulations* (10 CFR), Part 2, Section 2.390:

HGNE Meeting Presentation (Slides 13 and 18)

The nonproprietary portion of the presentation has been placed in the U.S. Nuclear Regulatory Commission's (NRC's) Public Document Room and added to the NRC Library in ADAMS Accession No. ML15030A363.

The reasons for requesting withholding of the report are provided in the affidavit.

We have reviewed your application and the material in accordance with the requirements of 10 CFR 2.390 and, on the basis of the statements in the affidavit, have determined that the submitted information sought to be withheld contains proprietary commercial information and should be withheld from public disclosure.

Therefore, the version of the submitted information marked as proprietary will be withheld from public disclosure pursuant to 10 CFR 2.390(b)(5) and Section 103(b) of the Atomic Energy Act of 1954, as amended.

Withholding from public inspection shall not affect the right, if any, of persons properly and directly concerned to inspect the documents. If the need arises, we may send copies of this information to our consultants working in this area. We will, of course, ensure that the consultants have signed the appropriate agreements for handling proprietary information.

S. Murray

If the basis for withholding this information from public inspection should change in the future such that the information could then be made available for public inspection, you should promptly notify the NRC. You also should understand that the NRC may have cause to review this determination in the future, for example, if the scope of a Freedom of Information Act request includes your information. In all review situations, if the NRC makes a determination adverse to the above, you will be notified in advance of any public disclosure.

If you have any questions regarding this matter, I may be reached at 301-415-7297 or by electronic mail at Joseph.Holonich@nrc.gov.

Sincerely,

/RA/

Joseph J. Holonich, Senior Project Manager
