

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

February 12, 2015

Ms. Ruth E. McBurney
Executive Director
Conference of Radiation Control
Program Directors, Inc.
1030 Burlington Lane, Suite 4B
Frankfort, KY 40601

Dear Ms. McBurney:

In your letter dated January 15, 2015, you requested that the Nuclear Regulatory Commission (NRC) provide federal concurrence for "Part F" to the Suggested State Regulations for Control of Radiation, "Medical Diagnostic and Interventional X-Ray and Imaging Systems."

We believe these regulatory requirements are important, however, given that "Part F" is outside of NRC's regulatory authority, we did not conduct a review of the final regulation. As is our practice, NRC does not provide federal concurrence on Suggested State Regulations which are not within NRC regulatory jurisdiction. If you have any questions, please contact Michelle Beardsley, State Regulation Review Coordinator at (610) 337-6942, (michelle.beardsley@nrc.gov).

Sincerely,

/RA Chris Einberg for/

Laura A. Dudes, Director
Division of Material Safety, State, Tribal
and Rulemaking Programs
Office of Nuclear Material Safety
and Safeguards
