Mike

We will review and get back to you quickly with any comments. And we would like the RAI to say 45 days, to be conservative (but of course, will provide the information as soon as we can).

Thanks

Dara,

Attached are the revised draft aquatic RAIs and a draft phone call summary. Please let me know if you have any questions, or comments. Also, as we discussed yesterday, if you could let me know when you think you would be able to respond to the RAIs, I would appreciate it.

Thanks,
Mike
