Mr. Jones,

Thank you for your voice mail. From your voice mail, I understand that the only specifically licensed source located at the 614 Expressway Court, Gaylord, MI was Serial No. 71-1-435G. From your letter this appears to have been shipped from the Gaylord, MI facility on November 4, 2009. As you do not have additional information of the transfer from Gaylord, MI to your Pennsylvania location other that what you had provided in your January 13, 2015 letter, please provide the supporting documentation that shows the source was transferred from your Pennsylvania location to Applied Health Physics on February 1, 2012.

Thank you for your cooperation,
