I am submitting an amendment to our NRC License # ~~44-1905-01~~ to remove the following Authorized Users:

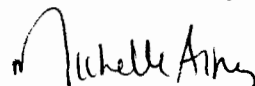

J. Christian Higgins, M.D.  
Steffen Hillemann, M.D.  
Janet Kirwan, M.D.  
Stanley Shapiro, M.D.

Our reasoning behind this decision is that although these Cardiologists do order Nuclear exams, they are not responsible for ordering, using, nor supervision of the use of Nuclear materials within the department and we would like our license to reflect this.

Please feel free to contact me directly at 802-388-8857 with any questions concerning this change.

Thank you for your time.

Sincerely,

Michelle Aines  
Director of Radiology
