Maine Yankee Atomic Power Company  
Maine Yankee Independent Spent Fuel Storage Installation  
NRC License Nos. DPR-36 and SFGL-14 (NRC Docket Nos. 50-309 and 72-30)

Subject: Annual Notification of Foreign Ownership, Control, or Influence (FOCI) Status

Maine Yankee Atomic Power Company (Maine Yankee) hereby provides the requested annual notification of its FOCI status in accordance with the NRC's letter dated March 2, 2012 (Reference 1). In this letter, the NRC notified Maine Yankee of a favorable FOCI determination, granted Maine Yankee a non-possessing facility security clearance in accordance with 10 CFR Part 95, and provided a set of general FOCI requirements that included a requirement for Maine Yankee to submit an annual written notification of the company's FOCI status.

Since the last annual notification letter was submitted on February 25, 2014 (Reference 2), Maine Yankee notified the NRC of the following significant changes regarding Maine Yankee's Certificate Pertaining to Foreign Interests.

On July 15, 2014 (Reference 3), Maine Yankee notified the NRC of changes in the Maine Yankee Board of Directors. Mr. Bruce Kenyon, Northeast Utilities, and Mr. Stephen Page, Green Mountain Power, resigned their positions, and Ms. Kathleen Shea, Northeast Utilities, and Ms. Carolyn Browne Anderson, Green Mountain Power, were appointed to the Board.

Regarding Ms. Shea's appointment to the Board, there was no change with respect to FOCI considerations because Northeast Utilities is a domestic sponsor company.

Ms. Anderson was appointed to the Board by Green Mountain Power, a domestic company that is owned by a foreign company. In accordance with the Maine Yankee Board Resolution submitted on February 23, 2012 (Reference 4), Maine Yankee Negotiation Action Plan Submitted on April 24, 2012 (Reference 5), and the NRC Confirmatory Order dated June 4, 2012 (Reference 6), Ms. Anderson's executed Certification of Foreign Sponsor Representative was submitted in Reference 3. This action will ensure that Green Mountain Power will not exert control, domination, or influence over operational, safety or security matters at Maine Yankee.

Besides the changes discussed above, there have been no other significant changes relating to Maine Yankee's Certificate Pertaining to Foreign Interests submitted as enclosures to a letter dated January 3, 2012 (Reference 7), on which the NRC's FOCI determination was rendered (Reference 1).

This letter contains no regulatory commitments.

If you have any questions or require additional information regarding this submittal, please contact Maine Yankee's General Counsel, Joe Fay, at (207) 350-0300.

Respectfully,

  
J. Stanley Brown, P.E.  
ISFSI Manager
