Attn: Mr. Kevin Null
Subj: Reapplication Letter of Intent (NRC Control No. 584728)

Mr. Null:

The "Combined Application for a License to Produce and Possess Accelerator Produced Radionuclides for Research and Development" dated 11 February, 2015 is intended to supersede all prior related correspondence and submissions. All deficiencies identified in earlier documents have been addressed in this reapplication. Please disregard all related documentation submitted by Niowave prior to this application.

Regards,

Dr. Terry L. Grimm
President and Senior Scientist

Null, Kevin
