Mike,

Yes, I didn't have Elaine's email address written correctly in my system--I've fixed that now.

Randy,

I think there was a slight issue with Elaine's email address in your original email. I've copied her on my reply.

It might work out better if I call in for the meeting tomorrow morning while you and Elaine work out another time for the meetings moving forward.

Thanks,

Mike

Hi Elaine,

When would you like to reschedule the weekly environmental check-in call? Please propose a few preferred times

that work best for you, then we will see if we can accommodate them.

Also, do we want to have the 0815 call tomorrow until we make other arrangements?

Regards.
