Subject: The Lane Construction Corporation, Request for Additional Information Concerning Application for a License Renewal, Control 585268
Date: Thursday, February 12, 2015 8:44:00 AM

Dear Mr. Scoloro,

This is in reference to your application dated October 30, 2014, requesting for amendment to Nuclear Regulatory Commission License No. 06-06284-02, Docket No. 03015231. In order to continue our review, we need the following additional information:

Your application has significantly reduced the amount of material authorized on the license. Please send documentation that the gauges you had possessed have been properly disposed, transferred, or provide another explanation. The amount of activity requested is 10 to 20 percent of the current Amendment. In particular, Troxler Models 3411, 3411-B; Humboldt Scientific Inc. Models No 5001; and InstroTek, Inc. Model 3500 devices are requested to be removed.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. 585268. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter, facsimile (610-337-5269), or signed letter attached to an email. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application.

Region 1 Office Mailing Address: Licensing Assistance Team, US Nuclear Regulatory Commission Region I, 2100 Renaissance Boulevard, Suite 100, King of Prussia, PA 19406-2713.
