MEMORANDUM TO: Mark A. Satorius
Executive Director for Operations

FROM: Annette L. Vietti-Cook, Secretary **/RA/**

SUBJECT: STAFF REQUIREMENTS – SECY-15-0005 –
RECOMMENDATION TO SUNSET THE DECOMMISSIONING
TRUST FUND SPOT-CHECK PROGRAM

The Commission has approved the staff's recommendation to sunset the decommissioning spot-check program in its current form and performing spot-checks only on an as-needed basis.

The staff should continue to identify regulatory activities that do not return value to our regulatory program in the way that was forecast when they were initiated.

The staff should continue to focus agency resources on activities of greatest impact to safety and security.

The staff should provide the Commission with a Commissioner's Assistant note describing what factors will be used to determine when it is appropriate to perform "as-needed" decommissioning fund spot-checks moving forward.
