Dr. Kim and Dr. Schwab,

Please find NRC's draft reports attached. Please let me know if you have questions or concerns. Thank you.

Best,

Laura Pearson
Chief, FOIA, Privacy and Information Collections Branch
U.S. Nuclear Regulatory Commission
Office of Information Services
(C) 301-222-7995

Subject: Information Quality (IQ) FY2014 -Data Call

Importance: High

Dear Information Quality and Peer Review Officers:

Please find attached the following files: 1) a PDF memo from the OIRA Administrator, 2) the IQ Report Template in Excel, and 3) the Peer Review Report Template in Word.

This year, both the draft IQ Annual Report and the draft Peer Review Annual Report are due to OMB no later than March 6, 2015.

For IQ reporting, we are providing a spreadsheet for you to complete (the template is identical to that used last year). The Peer Review Annual Report template is based on the information that is outlined in Section VI of the Bulletin. The template for that report is a Word file (this template is also identical to that used last year). Reports provided in formats other than those requested will not be accepted.

Please provide your draft IQ Annual Report to informationquality@omb.eop.gov and your draft Peer Review Annual Report to OMB_peer_review@omb.eop.gov. Please do not post your draft reports on your web-pages until OMB review is complete. Agencies that do not produce or sponsor information subject to the Bulletin for Peer Review are listed below; those agencies are not required to submit a Peer Review Report.

If you are not the appropriate contact at your agency for receiving this data call, please let me know the correct contact immediately.

Should you have any questions about these annual reports, please contact Dr. Margo Schwab (202 395-5647) or Dr. James Kim (202 395-3085). Thank you for your timely response to this request. I appreciate the continuing attention that your agency gives to ensuring that the applicable Information Quality and Peer Review standards are met.

Best regards,
Jim

James Kim, Ph.D., DABT

Office of Management and Budget

Washington, DC
