SUBJECT: Registration Certificate NR-1119-D-101-E – Change of Location

Dear Mr. Herrera,

Please be advised that as of 30 April 2015, our warehouse will be at a new location. Please amend our Registration Certificate to reflect the following address: 107 Allen Boulevard, Farmingdale, NY 11735.

We have asked the NY State Department of Health to amend our existing Possession License (C2989) effective 30 April 2015 to reflect this location. At that time we will stop all distribution from the previous address (Central Ave, Farmingdale) and, therefore, request that the address be removed from our certificate.

Additionally, we have ceased operations in Teaneck, NJ and are consolidating all distribution activities at the new address in Farmingdale. Therefore, please remove the Teaneck address from our certificate.

Your help in coordinating this amendment based on the above date will be greatly appreciated so that we do not encounter delays in distribution.

Thank you for your expeditious attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Brad Fisher', written over a light blue horizontal line.
