AFFIDAVIT

I, Betsy Hendrick, being duly sworn, hereby aver as follows:

1. My name is Betsy Hendrick, and I am the International Trade Compliance Officer of Sulzer Pumps (US) Inc. ("Sulzer US").

2. In this capacity, I am submitting this affidavit in accordance with the U.S. Nuclear Regulatory Commission's regulations at 10 C.F.R. § 2.390 and in conjunction with Sulzer US's application to extend and amend XCOM1206 for authority to export from the United States to Sulzer Pumps (Canada) Inc. ("SPCAN") in Burnaby, British Columbia, Canada, for re-export by SPCAN from Canada to Argentina certain U.S.-origin replacement and spare parts for pumps under 10 C.F.R. Part 110, Appendix A, Item 9, for use in generating nuclear power at the safeguarded nuclear facility of Argentina Nucleoeléctrica Argentina S.A. near the city of Embalse, Argentina.

3. In accordance with 10 C.F.R. § 2.390, it is requested that (a) the serial numbers of the pumps set forth parenthetically on page 3 of the NRC Form 7, (b) the estimated dollar amounts set forth parenthetically for the subject nuclear items on page 3 of the NRC Form 7, and (c) the names and addresses that identify the U.S.-origin suppliers and intermediate foreign consignees in Canada that are set forth parenthetically on page 3 of the NRC Form 7 be withheld from public disclosure. The basis for this request is that this information constitutes commercial or financial information that is privileged or confidential within the meaning of 10 C.F.R. § 2.390 (a)(4).

4. In particular, with reference to 10 C.F.R. §§ 2.390(b)(1)(iii) and (b)(4), disclosure to the public of the information just described would likely cause and result in substantial competitive harm to Sulzer US and SPCAN. This information is being and will be held in confidence by Sulzer US and SPCAN, is the type of information that Sulzer US and SPCAN customarily hold in confidence, is being submitted to the U.S. Nuclear Regulatory Commission in confidence, and is not available in public sources.
