

April 21, 2015

Mr. Clifford Farides  
Mill Memorial Public Library  
495 E. Main Street  
Nanticoke, PA 17101

SUBJECT: MAINTENANCE OF REFERENCE MATERIALS RELATED TO THE  
ENVIRONMENTAL REVIEW OF THE COMBINED LICENSE APPLICATION AT  
THE BELL BEND NUCLEAR POWER PLANT SITE

Dear Mr. Farides:

This letter is a follow-up to the telephone conversation of April 17, 2015, with Ms. Kelly Jerrytone, concerning the maintenance of documents related to the environmental review for the Bell Bend Nuclear Power Plant (BBNPP) combined license (COL) application by your library. These documents are related to the U.S. Nuclear Regulatory Commission (NRC) staff's environmental review and preparation of an environmental impact statement (EIS) for the PPL Bell Bend, LLC application for COL at the BBNPP site.

We appreciate your willingness to assist the public in participating in the COL application process for a new nuclear reactor. As discussed, your support would consist of providing shelf space in your reference section, for documents related to the NRC staff's environmental review of the new reactor license application available to the public. Included with this package are one hard copy and one CD of the BBNPP draft EIS, NUREG-2179, "Environmental Impact Statement for the Combined License (COL) for the Bell Bend Nuclear Power Plant."

We will place the Mill Memorial Public Library on our distribution list for future correspondence and documents related to our environmental review. We request that you place these items on the reference shelf as they are received.

C. Farides
