Rich,

The agenda will be the same as what I sent to you previously. No changes were recommended. A notice of the meeting will be placed in the Federal Register within the next week or so. The meeting date is April 23, but the times will be published in the FRN and on the NRC's public web site.

Rich,

There will be an ACRS Subcommittee meeting on April 23, 2015. It is tentatively scheduled as an all-day meeting. The purpose of this meeting is to brief the Subcommittee on the status of the review of the IP LRA. The ACRS Subcommittee Chairman requested the briefing because it has been over 5 years since we issued the SER and presented our evaluation to the Subcommittee, and we recently issued Supplement 2 to the SER.

We have developed a proposed agenda and discussed it with the Subcommittee Chairman. We will meet with the Subcommittee Chairman again in mid to late March to finalize the details of the planned meeting. At that time, I will be able to give you a final agenda. However, for now, you can use this to begin to develop your presentation.
